

Not sure what in the world to get Dad this Father's Day? Vivabox has got you covered with a selection of fantastic gifts that will be sure to make Dad smile! What is a Vivabox you ask? A Vivabox is a 2-part gift that combines the freedom of choice with the personal touch of a real gift! The first part is a gift inside the box that familiarizes the recipient with the product and the second is the gift card that can be redeemed for a gift of their choice from a selection of options. There are currently eight boxes to choose from: Spa Massage, Spa Beauty, Tea Time, Gourmet To Your Door, Fragrance, Coffee Talk, Wine, & Bar-B-Que. We were sent the Wine Vivabox. The gift box included a Wine Spectator's Essentials Book, a year subscription to Wine Spectator Magazine, and a gift card for a six bottle collection of wine. To redeem the gift card, you simply enter the number on your card under the "Redeem A Vivabox link" on the vivabox website. Within no time at all you will have a fantastic 6 bottle wine collection of your choice sent straight to your front door! In my opinion Vivabox is a perfect and unique solution for those hard to buy for people (and I know a lot of them)! There is such a wide range of great options to choose from that are sure to please anyone, no matter what their interests are!
