

Perfect Father's Day gift: vivabox

Are you still looking for the perfect Father's Day gift? Look no further! **Vivabox** has just what you're looking for, for any occasion really, but Father's Day is the one coming up.

What is a vivabox?

It's an exciting new product that combines the freedom of choice with the personal touch of a real gift. It's 2 gifts combined in 1: the first one is a gift inside the box that is intended to familiarize yourself with the product. The second one is a giftcard that can be redeemed for their gift selection from a menu of choices.

- 1. You Pick The Theme**
- 2. They Try The Samples**
- 3. They Choose The Gift**

Result: *You have given them a present they actually WANTED! The basic theme was chosen by you for a personal touch but the actual gift was customized by the recipient. This ensures that you have given what he or she will most enjoy. Plus, they got to experience the joy of receiving the perfect present for longer than ripping off the wrapping paper. It's a very simple but fantastic concept.*

I was sent the **coffee talk vivabox** and I can only tell you I LOVE it! What a fantastic idea!

The contents:

- * 3 sustainable coffee's from Jazzman's Cafe
- * Hazelnut flavoring syrup from Torani
- * gift card for a coffee talk gift menu item
- * jazz music CD

I haven't tried all of the coffees yet, I tried the Sumatra Mandheling Grade 1 and the Guatamala Finca La Sola and they are delicious. The CD is nice and relaxing to listen to and I love the Hazelnut Flavoring. This is why I used my gift card to redeem more Flavoring Syrups. To redeem the gift card is really easy to do too, you type in your number, select the gift you want and voilà, you placed your order. It's a beautiful box with 2 presents in one!

As mentioned before there's plenty of vivaboxes to choose from: Spa massage, Spa beauty, Tea time, Gourmet to your decor, Fragrance, Wine, BBQ and the Coffee talk.

Vivabox has very generously offered to give away a vivabox to 1 of my readers (choice between BBQ, Fragrance or Coffee).
