Vivabox - 5/8

I am SUPER excited about [Vivabox](#). Heck, I didn't even know what the heck it was until I really started reading up on their site and I was like W.O.W! Way cool! Ladies, if you haven't checked them out you REALLY need to! What is a [Vivabox](#) you ask? A [vivabox](#) is an exciting new product that combines the freedom of choice with the personal touch of a real gift. This two layered gift can be the answer to all of your gift giving dilemmas. The first layer is a gift inside the box that is intended to familiarize the recipient with the product. The second layer is the gift card that can be redeemed for their gift selection from a menu of choices.

Do you have an idea as to what type of gift someone would like? Select one of our themes that you think they would enjoy the most. This is the part that gives it a personal touch. They open the box and enjoy the gift inside. Depending on the box this could be a gift to try, taste or use and they all relate to the theme of the box.

After enjoying the first gift, the recipient visits this website and enters their card number. They will be taken through the redemption process where they choose their final present. This is where the freedom of choice happens.

You have given them a present they actually WANTED! The basic theme was chosen by you for a personal touch but the actual gift was customized by the recipient. This ensures that you have given what he or she will most enjoy. Plus, they got to experience the joy of receiving the perfect present for longer than ripping off the wrapping paper.

This is the [Vivabox](#) I was able to review...All I can say is WOW! I was not expecting to be able to go get a manicure and pedicure. Although, I haven't gone yet but I can't tell you how excited I am to get it done. I've never gotten a manicure and pedicure before! I will tell you how the experience is when I am able to get the time to go! Inside this box is all the stuff shown plus the gift card for a Manicure & Pedicure and the best part is that the TIP is included! You don't need to bring anything with you but your hands and feet!

This is what is in the box;

- 3 EO organic body lotions
- 1 EO organic shower gel
- 1 package of EO organic bath salts
- Gift card for a manicure and pedicure--tip included--at one of more than 4,000 spas.

Enclosed in this retreat-in-a-box is a gift card (with tip included!)for a manicure and pedicure at any of the more than 4,000 spas that participate in the SpaFinder worldwide network.

But this isn't the only gift box Vivabox offers...Check out all of [Vivabox](#) awesome boxes!
