## Gift Guide: Zen Queen

**The Product: VivaBox Personalized Gift****Cost: \$45 and up****Where to Buy: VivaBox**

**Extras:** This is a super cool concept. For your friend, you can choose a gift theme like Spa Massage, Spa Beauty, Tea Time or Gourmet Meal to Your Door. Then the recipient receives the box that includes a few samples. Then *she* gets to redeem a gift card for even more of her favorite thing.

**Why I Love It:** I have to admit, I received a VivaBox Spa Massage. It's awesome. I get to choose any massage from SpaFinder, and I got wonderful lavender shower gel and lotion.
