## [Vivabox Mother's Day Giveaway](#)

Vivabox is a new way to send a rockin' present. I should know, I love rockin' presents! Vivabox was nice enough to send me a Tea Time box and I already drank up all the Chai! It was so yummy!! I love tea!!

### **What is a Vivabox you are probably thinking? Well, let me tell you this....**

A vivabox is an exciting new product that combines the freedom of choice with the personal touch of a real gift. This two layered gift can be the answer to all of your gift giving dilemmas. The first layer is a gift inside the box that is intended to familiarize the recipient with the product. The second layer is the gift card that can be redeemed for their gift selection from a menu of choices.

#### **1. You Pick The Theme**

Do you have an idea as to what type of gift someone would like? Select one of our themes that you think they would enjoy the most. This is the part that gives it a personal touch.

#### **2. They Try The Samples**

They open the box and enjoy the gift inside. Depending on the box this could be a gift to try, taste or use and they all relate to the theme of the box.

#### **3. They Choose The Gift**

After enjoying the first gift, the recipient visits this website and enters their card number. They will be taken through the redemption process where they choose their final present. This is where the freedom of choice happens.

**Result:** You have given them a present they actually WANTED! The basic theme was chosen by you for a personal touch but the actual gift was customized by the recipient. This ensures that you have given what he or she will most enjoy. Plus, they got to experience the joy of receiving the perfect present for longer than ripping off the wrapping paper.

How would you like to win a [Tea Time Vivabox](#)? I knew you would! Just head over to [Vivaboxusa.com](#) and pick out your favorite Vivabox. You must tell me which box you covet and what about it makes you happy. **INCLUDE** your email address or your entry won't count.
